Thanks so much. I think this is looking very good; I've made a few non-substantive (and formatting) changes, marked in the attachment.

Rosemarie, please let me know if you have any edits/questions about this revised draft. I plan to share the draft with Susan and Larry as soon as possible so we can progress things with Megan and then DOJ.

Thanks everyone for the discussion and input last Friday. I am attaching the new revised version (if I missed anything please let me know and I will revise) and a comparison document (compared to Patrick's May 30 version). Rosemarie, if you have any comments or would like to discuss please let us know since you missed the Friday meeting. Thanks.

All:

Please find attached a white paper that outlines the broad strokes of a multi-faceted approach. Ex. 5 DP / Ex. 7(A)
Ex. 5 DP / Ex. 7(A) is in very early development, and while I would greatly value your feedback, I would ask that you keep this document among this small initial review group.

Best,
Patrick
